The night I satisfied 10 years of lust

Swap Meat

My wife Rita began her secret campaign to drive me crazy about a month before the wildest party on record.

Rita loves sex and we've done some pretty kinky things in the 10 years since our marriage, but we had never included other people in our little games.

She got the idea from our favorite sex game. We call it "What's My Line?" like the game show that was on TV years ago. We even use a mask.

If it is my night, my wife, Rita, will pretend to be someone that we both know and while she teases my naked body with her hands, tongue and those beautiful tits, she gives me clues.

I'm not allowed to stick my dick into her wet, hot pussy until I guess who she is. Well, one night she decided to play the part of our neighbor, Molly. Rita used a fantasy to make the game even more exciting. We were supposed to be at a drive-in movie. I was alone when a strange woman entered the car. It was too dark to tell who she was, so I had to guess while she unzipped my pants and began sucking on my dick.

I don't think my wife realized how many times I had dreamed of fucking Molly. She drives me crazy but since we live so close together, I knew that nothing would ever

come of it.

"You know who I am," the mystery lady said, her words muffled by my cock sliding in and out of her hot mouth. "You like to watch me when I do the gardening, especially when I wear that yellow bikini top."

My dick sprang up, at least two inches longer as I realized that my wife was impersonating our neighbor Molly. I tried to hide my excitement but it was useless. I grabbed my wife's head and drove my cock deep into her mouth, and began shooting hot cum against the back of her throat.

"Molly, Molly, Molly,"

I groaned as my poor wife swallowed my record come. When it was over, she came up, smiling and wiping the sticky stuff from her chin.

I should have suspected something when my wife didn't tease me about my reaction to her choice of characters. But I was too horny to care. I ripped off the mask and threw my wife onto the bed. I drove my still-hard dick deep into her steaming slit and fucked her until she screamed for mercy. I had an orgasm that crossed my eyes. Of course, I didn't tell her that in my mind it was Molly's tight, wet pussy wrapped around my dick.

A few days after the movie fantasy, Rita and Molly

returned from a shopping spree loaded down with packages. They darted through the living room, ignoring me completely and headed for our room to try on their new clothes. My wife isn't the careless type. Yet that night she left the door to our bedroom cracked just enough so that I couldn't miss seeing them as I passed the room on the way to take a piss.

My timing was perfect. Just as I passed the door, Molly was removing her bra. I stopped dead in my tracks and grabbed my swelling cock. Her tits were more beautiful than I had ever dreamed. They were huge and, in

I stood outside the door, rubbing my excited cock through my pants until Molly slipped back into her own dress. Then, I ran into the living room and managed to look like I was deep in the evening news by the time the girls came giggling out of the bedroom.

My wife had a strange grin on her face. It made me wonder if I was being set up, but I shrugged off the thought. I couldn't believe that Rita would actually want me to see another woman's naked body.

I guess that I should have sensed that something was up when my wife practically raped me the moment Molly was gone. But I was too worried that she might wonder why my dick was already hard.

Luckily, Rita was too excited to worry. She shed her clothes on the way across the room and unzipped my fly. She moaned when she saw my stiff dick and mounted it. There was no need for a fantasy that night, just plain old fucking.

Her pussy was wet, hot and slippery. She bounced up and down on my lap until my eyes watered and then she screamed and drained my balls with her pulsating pussy. All I could do was hang on for dear life.

The following week, Molly and Bob threw a pool party. There were about six couples, mostly business acquaintances of Bob. Actually, it was pretty dull. At least it was until Molly put on that yellow bathing suit and plopped down on the side of the pool. My wife and I were sharing a lawn chair only a few feet away.

I tried to be cool, but I'm sure my tongue was hanging out. Molly was sitting so that I couldn't help seeing the outline of her pussy under the flimsy material of the suit. I could even see that it was shaved clean as her pussy peeked out the side.

My wife not only noticed, but as soon as she did, she slid her hand up my leg and began stroking my cock. She leaned over and put her warm, wet mouth against my

my mind, screamed for a man's mouth.

I was afraid to stand there too long, so I dragged my eyes away from the half-naked blonde and went to the toilet. It wasn't easy to take a leak with my dick hard, but I managed. I considered jacking off—something that I haven't done in years—but decided to wait and give my wife a good fuck after Molly went home.

Of course, I couldn't resist glancing into the dressing room again on my return trip. The view was even better. Molly was nude and my wife knelt in front of her holding a pair of panties apart for her to step into. When Molly lifted her foot, the lips of her lightly furred pussy winked at me. I nearly shot my wad.

Wife-swapping didn't cross my mind. We'd been friends for years but not in a sexual way. The women were just having a good time.

ear and whispered, "Molly had a close shave, huh?"

Rita winked at our neighbor and pointed toward my stiff dick. I thought about running, but I couldn't, not without showing every guest at the party my problem.

Watching Molly's pussy while my wife stroked my cock is a sensation that I'll never forget. Since I was in my bathing suit, I wasn't worried. If I lost control, all I

both women began shedding their bathing suits. My eyes bugged out as I watched Molly bend over and push her skin-tight suit down her long, shapely legs. I glanced over at Bob, but his attention was elsewhere. His eyes were riveted on my wife's tight little ass.

Wife-swapping didn't cross my mind. We'd been friends for years but not in a sexual way. The women were just having a good time.

That didn't keep my dick from getting hard. The girls jumped into the water and began splashing like a couple of kids. Every time Molly's big beautiful boobs appeared above the water, my heart skipped a beat. "Come on in," Rita shouted playfully.

I tried to ignore her, since there was no way I could stand without letting everyone see the huge bulge in the front of my shorts. I relaxed a little when I noticed that Bob had the same problem. After trying unsuccessfully to entice us into the pool, the girls climbed out and walked over to where we were sitting. "Your husband has a hard-on," Molly giggled.

had to do was jump into the pool and disguise the wet spot.

But a climax wasn't in the cards. My wife took me right to the edge and then at the last moment, moved her hand and walked away.

I spent the next few hours with a painful erection. I couldn't keep my eyes off of Molly's body. I drank more than usual, trying to get my mind off of Molly's mouth-watering body. Her husband, Bob, joined me for a few while the girls said good-bye to the other guests. We were the only ones left at the party when the girls came out to join us. Both women were tipsy and of course, Bob and I were feeling no pain.

husband has a hard-on," Molly giggled.

"So does Bob," Rita replied. "What are we going to do about it?" Molly giggled, licking her lips as she stared hungrily at my cock.

I looked nervously at Bob, wondering what his reaction would be to his wife's flirtation. But he was busy drooling over my wife. She was standing in front of his chair with her legs apart and the lips of her pussy less than a foot from his face. He was close enough to smell her overheated cunt. Then, as though they had rehearsed it, the girls took our hands and pulled us to our feet. Molly knelt in front of me and removed my shorts while my wife did the same to Bob.

"We're going to go skinny-dipping," Rita giggled as

Her head bobbed wildly up and down my shaft while I hung on to her long blonde hair, fighting to hold back the flood aching to escape from my balls.

my rock hard dick, her breath teasing the sensitive head. I ached to shove it into her mouth but didn't dare.

When her tiny fingers circled my cock, I realized for the first time that it was real! Molly was going to suck my dick while her husband and my wife watched. I felt 10 years of lust building in my balls.

Bob groaned as my wife took the head of his huge dick between her soft, red lips and began licking the tip.

It never occurred to me that watching my wife suck on another man's cock would excite me. Instead of the jealousy that I expected, I felt only raw lust.

Molly wasn't about to let my wife get the jump on her. Instead of teasing the head like my wife was doing, Molly seemed determined to give me a full-fledged blowjob.

Her head bobbed wildly up and down my shaft while I hung on to her long blonde hair, fighting to hold back the flood aching to escape from my balls.

The next time I looked over at Bob and Rita, he had her flat on her back and was rubbing his prick across her nipples. She would lick the head of his mighty cock each

time it came near her hungry mouth.

Molly pulled her mouth off of my cock only seconds before it was too late. She stood and pulled me toward the pool. "Let's do it in the water," she gasped as she led me down the steps and into the water.

The water was cold, but not cold enough to squelch my pile-driving hard-on. Nothing but a hot pussy could do that. As soon as our feet touched bottom, Molly wrapped her hot thighs around my waist and lowered her cunt onto my prick, letting only the head enter at first.

She gasped for breath while I let the head of my prick roll gently around the opening to her hot cunt. Our position gave me a fantastic view of the other couple. Bob had moved down my wife's squirming body and had his dick buried deep in her hungry cunt.

She looked at me and smiled weakly while my neighbor increased the pace of his ramrod. While my wife moaned and begged for more of Bob's dick,

Molly rode my stiff cock like a wild woman. She dug her nails into my back and bit my shoulder.

"Tell me when they're going to come," she gasped. "I want to come with them."

It's a good thing Bob was ready, because her words set off an unstoppable explosion. I heard Bob growl as his back stiffened and my wife locked her legs around his humping hips. I filled Molly's tight box to overflowing and watched the globs of white cream float to the surface. I felt like I could come forever.

It was Bob's idea to send this to your magazine. He says that the world should know that even nonswingers can have a wild time if the circumstances are right.

COURTNEY

I'm not that much of a bad girl, I swear. I was standing on the corner waiting for my boyfriend to come get me, when a cop rolls up saying, I was under arrest for illicit activities. Anyway, when my boyfriend showed up, I was all alone, and it's not like we were in a rush – so we decided to have a little fun.

TINA

Tina is the kind of girl who starts stripping as soon as she steps through the door at the end of the day. With pizza on the way, she's looking forward to settling on the couch and passing the evening away. Movie's queued, pizza's here, and dildo vibrating. Tonight is not finished till she's satiated.

I'M DREAMING OF YOUR COCK IN ME

MOUTHS AND PUSSIES AND COCKS, OH MY!

THE SET UP

I've always been someone who likes to help people. Sometimes, that means I have to help them in ways they never realized. I have a friend, Gary, who's one of the most gorgeous guys you could ever meet, but he's shy as hell. The thing about Gary is that he's more adventurous than he realizes. He just needed to have an adventure.

So, I talked to this other friend, Jasmine, who's always thought that Gary was cute, but felt like he didn't really notice her. She agreed to come over for a little party I decided to throw for her and Gary. She had beautiful lines and long, flowing raven black hair that had charmed many before, and she couldn't believe that Gary was immune to her womanly charms.

I got Gary to agree to come over for a bro's night of drinks and games, figuring he didn't need to know about the other guest until later. I got

a few drinks into him before Jasmine let herself into the house, making her way around the couch and sitting easily next to Gary.

Gary was understandably surprised, but polite as he got more and more comfortable with Jasmine as the evening wore on and they started to talk. Eventually, she stepped away to use the bathroom and Gary finally was able to round on me.

He was upset that I'd set him up like that, but more than that, he was nervous about being alone with her and asked me to stay with them. I told him I'd only agree if Jasmine did too. When she returned, Gary asked, and she agreed. It was my turn to be surprised.

That surprise only grew when Jasmine seemed undeterred by the original plan. As the drinks continued, she got a little closer to Gary, tickling his cheek and giving him those stary eyes. When they kissed, I had to confirm one more time that they wanted me to stay.

Jasmine then turned her attention to Gary fully, laying him back on the couch and starting to unbutton his shirt. Her long, thin fingers traced over his chest that was rising and falling with deep breathes. She raised a finger and put it to his lips gently, urging him to remain quiet.

Her nails traced over his body, and I could see him shiver with the nerves she was finding. She moved slowly, careful not to press him too hard or too fast, but also confident in her abilities. When she chanced a look back at me, she caught me rubbing my crotch and gave me a quick wink before turning back to Gary and pulling off her shirt in one move.

Her chest was fuller than her shirt had made her look, and her boobs were left there to float above Gary's face. He was quickly drawn to them, reaching up and holding them carefully, like they might pop if he gripped too hard. Jasmine guided him towards her nipples and leaned back with a soft moan as he started to play.

BLAIR-NTS-00

Gary was gaining more confidence the longer they were there, and Jasmine's patience paid off when he took hold of her and flipped their positions on the couch. He fumbled around for his belt and got his pants off with her help, she wanting to quickly take his suddenly loose dick in her mouth.

I watched as she swallowed him, gasping a little as my own dick did a jump. Slowly, I reached in and pulled it out, giving it a few tugs as I watched the adventure unfold.

Jasmine caught me and winked in my direction again before she lay back on the couch. Her hands moved over her chest, putting on a moaning, gyrating show for both of us, those hands moving down toward her waistband and down lower, inviting Gary in.

He seemed to freeze as he admired her frame, body, and motion. Without much thought, he reached down to help her out of her pants the same way she'd helped him out of his. He took a breath and I watched as Jasmine spread her legs, clearly loving

the admiration she was getting. "It's okay," she told him and, with a small nod, he lowered himself down and let his dick penetrate her hungry clit.

I watched from across the room as they enjoyed one another, tugging harder at my dick as Gary started pounding harder into Jasmine. She wrapped her legs around him, pulling him in tighter and deeper. His hands were all over her body, like he wanted to experience her all at once, over her nipples, in her hands, tracing her jaw, and each was a new and forbidden feeling that sent shudders through his muscular frame.

It wasn't long before I heard his call; he'd avoided making much noise until he let loose, sending a secondary wave of ecstasy through Jasmine. As I watched him pull out, she let her clit wink at me, spilling some of Gary's juice back out, and I felt myself shoot my own load up over my chest.

With a grin, I excused myself to clean up, telling them to have fun with the rest of the night.

THE HOTEL ROOM

It's been awhile since I written to any magazine about my sexual experiences. But this one happened a short while ago and I love to tell and retell the story.

It's about an old girlfriend that I reconnected with since we saw each other an one of these 'Golden Oldies' music concerts about a year ago. Since her schedule and mine don't permit many hook-ups, we get what we can.

We decided to meet in San Diego for another concert and it so happened her flight schedule matched mine, and we were able to connect in-person. Since she had an early flight tomorrow, I'll keep this brief.

I picked her up at the airport after her flight. We had a very warm welcome, embracing and kissing briefly before we departed the terminal. Holding hands while managing luggage was a bit of a challenge, but do-able. We got to rental car and headed for the hotel. Since it was pretty early, we enjoyed a fair amount of time together. When we got to the room, we dropped our lug-

gaze on the floor, and she collapsed on the bed because her flight was a red-eye from Boston. She patted the comforter, inviting me to join her. As I joined her, we resumed our hugging and touching. After momentary kissing, I began unfastening her blouse. While she looks great in clothes, she looks just as good out of them. As clothes were shed, her creamy skin became more visible. Her lovely areolas were revealed, their size perfect for her breasts. The nipples jutted straight out, pointing at me, egging me closer.

Immediately my hands and mouth clashed as each wanted to engulf her lovely breasts. I found the combination of hands and mouth to be better partners than adversaries, so I engaged them both together. The more I enjoyed her breasts, the more she seemed to respond. As her breathing became deeper and more rapid, I decided to slide one hand inside her skirt and I met no resistance as I parted her thighs.

Making contact with her velvet pussy was delightful. Since her trip was long, she selected cotton panties to cover her delightful pussy and ass cheeks. As I pressed and stroked on her pussy, she writhed even more under my hand. Her lower back arched in seeming at-

tempts to meet my hand. It was time to start pulling things off, I stripped her and she de-nuded me. All our clothes ended up on the floor, strewn in no particular form of neatness.

Her beautiful pussy was exposed with soft tufts of hair neatly trimmed. There's just something right about a bush being full but neat. Even though there was springy hair, there was also a slick track down the middle, glistening in the soft light of the room. I was not about to miss the opportunity to indulge, so began stroking up and down - then in and out of her amazing lady parts.

Her clit is very responsive. Since I am very focused on bringing a woman pleasure, I dallied about down there for quite some time. Faster breathing was matched with a slight oozing from her pussy. She creates a great deal of moistness between her legs, and I delighted in the sight and smell of it.

My hand was soon replaced by my mouth. I love to lick a moist pussy. She asked me to move so she could rub my cock. As I licked, sucked and nibbled at her pubes, she began to stroke, suck and lick at my member. We became lost in our oral pleasure, with all the joy of the sights, sounds and fragrances. We

didn't end up fucking each other that morning because our oral pleasuring was so intense. We were both out of control. She came first, and I followed shortly thereafter. We collapsed in a heap after our climaxes. We began to drift off and slept for a couple hours. When we got up we showered together, spending a little extra time to be sure our special parts were very clean. We were going to spend a lot of time and energy down there later.

We helped each other dress, then headed out for dinner and the show. We fed each other, and touched fingertips frequently. After the show, we returned to the room. We were naked before we even hit the bed. She pushed me down and climbed on top in a torrid sixty-nine and we sucked each other to climax, swallowing the other's cum. Then she rolled off and got on all fours. I mounted her from behind and she took my entire cock balls deep. I pounded her hard and she took every thrust. We fucked until three in the morning.

As I grabbed the bags, I saw her looking at the screen of my laptop computer, making sure I was giving accurate details of our rendezvous.
